

**VALUE EDUCATION CELL
ACTION PLAN FOR THE YEAR 2021-2022**

Vision

- To empower students through quality education on a strong foundation of ethical, moral and cultural values.

Mission

- Create genuine concern for society and environment that culminate in purposeful extension and outreach activities.
- Strengthen the commitment to ethical and moral values of all its stakeholders
- Enforces the importance of human values and ethics. It helps the students to grow more in values.
- Many activities are conducted for the students to get involved in it and learn more about the values and to practice in our day-to-day life
