Course Summary

Basic Speaking Skills in English is designed to enhance the needs of the present day situation which necessitates a proper mastery of communication and Speaking skills. This is a 30 hour English Speaking course that includes diverse learning methods to help you to be better in English in ordinary, academic and professional realms. At the end of the course, students are equipped with communication & speaking skills to interact in English Language.

The session developed writing skills to learn to integrate speaking and thought and to apply the conventions of academic writing correctly. And it equipped the participants to build confidence through mock sessions. It motivated the participants to communicate & speak effortlessly in English. The session gave the chance to acquire the correct sense of format, syntax, grammar, punctuation and spelling. And it gained understanding of discourse conventions ranging from structure and paragraphing to tone and mechanics.

Mr. Sebastian Cheriyan organised this programme for 30 hrs for the 3rd semester students. This course began on 01/10/2019 and ended on 22/11/2019.

Around 22 students attended this course.

Course Outcome

- Anticipate what they will gain from an educational experience
- Track their progress and help them to overcome the barrier.
- Develop confidence and a positive attitude towards speaking.
